Important Information:

On November 30th, 2004 the WWFOCB approved a new \$50.00 fee for the review of applications for training unit approval which occurs via www.ocpweb.com. This new fee is effective November 30th, 2004 and is applicable to all courses offered for 2005 or later. Accredited educational institutions are required to submit this fee only if they want their courses reviewed and posted to the OCPO web site. The new fee structure was adopted to cover the costs related to hosting and maintaining the web site, along with the associated costs for administrative management. These fees are set forth in section 100.22.2 of the WWFOCB's Regulation No. 100. The revised regulation will be posted by early December on the WWFOCB web site at <http://www.cdph.state.co.us/op/ocb/index.html>.
